❖ Experiential learning

Experiential learning is an active, learner-centric methodology, wherein learners put knowledge and skills together and use it in a meaningful and relevant manner. Its aim is to discourage the traditional system of rote learning. It provides the students an opportunity to get hands-on experience through various activities like role plays, panel discussion, research work, surveys etc.

❖ Competency Based Education

The school follows Competency-Based teaching learning techniques to empower students to master a skill or competency at their own pace through a combination of engaging and joyful blend of activities related to the topics in the curriculum.

❖ Art-Integrated Project

- In continuation with the Art integrated learning, CBSE has added Art-Integrated Project works for classes I to X thereby making the teaching-learning process more effective, meaningful and joyful.
- Accordingly, each Scholastic subject like (English, Hindi, Science, Mathematics and Social Science) will have one Art integrated Project in a year. The Project will be assessed under Subject Enrichment Activity as a part of the internal assessment of all the main subjects.

❖ Inclusive Classroom Teaching- As per CBSE directives, this year Inclusive classroom teaching is being introduced wherein it helps and **improves the quality of education and makes provisions for all.** Inclusive education welcomes and celebrates diversity. It provides a provision

to help/mingle children with learning disabilities along with normal children in a regular classroom environment.

CO – SCHOLASTIC AREAS

CBSE gives equal importance to Scholastic and Co-Scholastic subjects for promotion to the next class.

In Co- Scholastic areas the students will be graded twice a year – In Term I & Term II.

The different activities under Co-Scholastic areas are as follows:-

1. WORK EDUCATION:

Our School had opted for Computers in Work Education in order to meet the challenges of the growing technological world.

2. ART EDUCATION:

Art is an integral part of the curriculum as a Co-Scholastic Area. We undertake specific syllabus under Art Education for std. VI to VIII.

3. HEALTH AND PHYSICAL EDUCATION:

- As per CBSE directives, HPE (Health and Physical Education) has been given a special focus in the curriculum.
- Children would be assessed in Health and Physical Education based on their performance in four Strands which are as follows:

Strands

1. Games
 - a) Athletics
 - b) Team Games
 - c) Individual Games
2. Health And Fitness
 - a) Yoga
